

PALM BAY SOCCER

Dear soccer enthusiast,

The 2010 - 2011 Palm Bay High School soccer season is ready to begin. We have made great strides over the past three years to improve our soccer program. The beginning of a new season is just around the corner, and we are looking to continue to improve our program and make it one of the best in Brevard. A quality soccer program requires supplying its athletes and coaching staff with the best equipment possible. The school district's funds are limited, therefore; it is up to individual teams to raise money for their program. This is where assistance from the community becomes vital to helping us reach our goals.

We are looking for interested community members to sponsor the Palm Bay High School soccer program. We have come up with some ways to allow both individuals and businesses an opportunity to grow with us by sponsoring at a level commensurate with their own goals. A list of sponsorship levels is attached for you in order for you to choose the level that best fits you or your business.

Thank you for your time and we look forward to you becoming a proud member of the Palm Bay High School soccer family. Please see the attached form to view the sponsorship options. Feel free to contact me with any questions regarding sponsorship.

Go Pirates,
